

Get lost under the Stars!

Get lost at your private *party under the stars* on the
VLM Observatory Deck.

Your group of 10 will enjoy heavenly hors d'oeuvres and refreshing cocktails as you lose your earthly boundaries discovering curious objects found in the night sky, seasonal constellations and visible planets. This unique evening of stargazing led by Museum Astronomy Curator, Dr. Kelly Herbst also includes discussions about celestial happenings occurring around the time of your visit and a starry program in the full dome Abbitt Planetarium.

*Available on a mutually acceptable date through May 1, 2018

Suggested retail value \$1,000.00
